GROOM YOUR PET LIKE A PRO.

Now available to the general public, Groomer's GOOP has been the professional choice of groomers, breeders and those who show their pets for years. It's a great first step to 'degrease' the coats of Persian, Himalayan, and Maine Coon cats and long-haired dogs, and the enriched formula contains lanolin, glycerin, vitamin E and aloe vera to better treat your pet's skin. You'll feel like your pet has won 'Best In Show' with our line-up of products- try them today to see the difference for yourself.

Groomer's GOOP is specially designed to gently remove the most difficult stains, whiten yellowing areas, deal with stud tail, ear wax and ear medicine, tar from the beach, sap from trees, excessive grease and oil on the coat – even skunk musk. Groomer's GOOP will leave your pet's coat clean, lustrous, full of body and grease-free. Groomer's GOOP offers a complete line of pet de-greasers, shampoos, conditioners, rinse free shampoo wipes, plus leave-in conditioning spray and coat freshening spray.
