Goop Hand Cleaner

	4: First Aid Measures
Eye Contact:	Flush eyes with thoroughly with plenty of water. Tilt head to avoid contaminating unaffected eye. If irritation occurs seek medical attention.
Skin Contact:	No hazard expected under normal use. If irritation occurs seek medical attention.
Ingestion:	No hazard expected under normal use. Do not induce vomiting. Seek medical attention if symptoms occur.
Inhalation:	No hazard expected under normal use. Remove to fresh air if symptoms occur. Seek medical attention if symptoms persist.
Note to Physicians:	There is no specific antidote. Treatment of overexposure should be directed at the control of symptoms and the clinical condition of the patient.
	5: Fire Fighting Measures
Extinguishing Media:	For fires in area use appropriate media, i.e. dry chemical, carbon dioxide, water fog, alcohol foam.
Fire Fighting Methods:	Will not burn. No special instruction available. Use fire fighting methods appropriated for surrounding materials.
Fire and Explosion:	None known.
Hazardous Combustion Products:	None known.

6: Accidental Release Measures	
Spill Clean-Up Procedures:	Follow personal protective equipment recommendations found in Section 8. Soak u residue with inert absorbent material. Place in non-leaking containers for disposal. Flush remaining residue in area with water and dispose of properly. Avoid direct discharge to sewers and surface waters in large amounts. Notify authorities if entry occurs.

7: Handling and Storage

Handling:

Avoid eye contact. Do not swallow. Do not eat, drink or smoke in work area. Avoid breathing mists or dusts.

8: Exposure Control / Personal Protection	
Exposure Guide Lines:	None established by OSHA
Engineering Controls:	None expected to be needed under normal use. Use local exhaust ventilation if in confined spaces. Avoid creating mist.
Eye/Face Protection:	None needed under normal use. Safety glasses or goggles recommended if eye contact is eminent.
Skin Protection:	Material is not considered a skin contact hazard.
Respiratory Protection:	None required under normal use.
Other Protective Equipment:	Eye-wash station.
General Hygiene Conditions:	Wash with soap and water before meal times and at the end of each work shift.

	9: Physical Data
Physical State:	Viscous Liquid
Color:	White
Odor:	Sweet
Boiling Point:	N.D.
Freezing Point:	N.D.
Melting Point:	N.D.
Evaporation Point:	>1.0
Vapor Pressure:	N.D.
Vapor Density:	<1.0 (Air=1)
Viscosity:	N.D.
Solubility:	Soluble in Water
pH:	Range 7-8
Specific Gravity:	.95g/ml @25°C (Water=1)
VOC (wt%):	.95%
VOC (g/L):	9.5g/L
VOC Method	EPA Method 24
Flash Point:	N.A.
Flash Point Method:	N.A.
Auto Ignition Temp.:	N.D.
	10. Stability and Reactivity
Stability:	Stable under normal conditions
Conditions to Avoid:	Avoid all forms of contamination, Heat over 150°F/Below -10°F
Incompatible Materials:	Avoid strong oxidizing agents, sources of ignition.
Hazardous Decomposition Products:	None known.
Harandous Dolymonization.	None known.
